‡ The sector allocation and top 5 holdings are shown as supplemental information only and complements the Logan Concentrated Value Composite complete disclosures, which are located below.

Logan Concentrated Value (LCV) Composite contains fully discretionary large cap value equity accounts. For comparison purposes the composite is measured against the Russell 1000 Value and the Russell 200 Value indices.

Logan Capital Management, Inc. claims compliance with the Global Investment Performance Standards (GIPS®) and has prepared and presented this report in compliance with the GIPS standards. Logan Capital Management, Inc. has been independently verified for the periods April 1, 1994 through December 31, 2009 by Ashland Partners & Company LLP. A copy of the verification report(s) is/are available upon request.

Verification assesses whether (1) the firm has complied with all the composite construction requirements of the GIPS standards on a firm-wide basis and (2) the firm's policies and procedures are designed to calculate and present performance in compliance with the GIPS standards. Verification does not ensure the accuracy of any specific composite presentation.

Logan Capital Management, Inc. is a privately owned registered investment adviser. The firm maintains a complete list and description of composites, which is available upon request.

Results are based on fully discretionary accounts under management, including those accounts no longer with the firm. Past performance is not indicative of future results.

The U.S. Dollar is the currency used to express performance. Returns are presented gross and net of management fees and include the reinvestment of all income. Net of fee performance was calculated using actual management fees. The annual composite dispersion presented is an asset-weighted standard deviation calculated for the accounts in the composite the entire year. Additional information regarding the policies for valuing portfolios, calculating performance, and preparing compliant presentations are available upon request.

The investment management fee schedule is as follows: 80 basis points on the first \$25 million, 70 basis points on the next \$25 million, 50 basis points on the next \$25 million and 45 basis points on the \$25 million thereafter. The investment advisory fees charged for accounts whose market value exceeds \$100 million are negotiable. Accounts under \$10 million will be charged a flat 1.00% per annum. Actual investment advisory fees incurred by clients may vary.

The Logan Concentrated Value (LCV) Commission Composite was created August 1, 2000. Performance presented prior to August 1, 2000 represents that of Berwind Investment Management, L.P. \*\*Effective August 1, 2000, Logan Capital Management, Inc. acquired the investment advisory accounts of Berwind Investment Management, L.P., and no material change in personnel responsible for the investment management process occurred.
